Dear Listener,

We were happy to receive your letter and to know that you are interested in our Foreign Language Broadcasts. To help you find us on your radio dial we are enclosing our English language broadcasting schedule.

If you would like to send us reports on reception conditions in your locality we shall welcome them. Just tell us the date, time and frequency for the broadcast plus a few program details. We verify reports with a variety of QSL cards with coloured photos of interesting places and scenes in Czechoslovakia.

Every day we broadcast the news, a commentary and music and then according to the day of the week we give special features such as: Tribune, Youth, Economics, DX-chat, Philately, Answers to Questions, etc. We hope you will find something to interest you and that you will take part in the quizzes that are given after some of our features. You can win FDC's, gramophone records, books and souvenirs from Czechoslovakia. In the meantime we all send our best wishes for success and happiness, and good listening on the short wave bands.

Sincerely yours,

Dr. Alexandra Prokešová
